Why?

Im 2006 parents have founded **Friends of the Sankt Martin Kindergarten** for two reasons:

- the demands of the pedagogic practice are increasing
- while the financial scope is constantly decreasing.

What for?

We help the Kindergarten with those issues, that can't be provided by the institution, but are much needed by the Kindergarten or are considered desirable by parents, e.g.:

- maintenance and purchase of playing equipment
- aquisition of educational material for the implementation of the resent Bavarian learning and education plan (bayrischer Bildungs- und Erziehungsplan)
- purchase of material and equipment for music, sports and handiwork
- promotion of projects and actions

Previous achievements

- funding of the circus pedagogic
- equipment for the gym
- the pedalos
- funding of the clown or the magician at the carnival party
- big building blocks for the gym
- excavator for reshaping the garden
- materials for preschool education
- tools for the workshop
- partial financing of seminar participants
- purchase of dishes
- audio equipment for parties and for the gym
- garden activity day with the bureau of senior citizens
- partial financing of the actionpainting project and much more
